Upgrade your kitchen's efficiency with our Worktop Refrigerator With Backsplash.

Boost the efficiency of your commercial kitchen with our Worktop Refrigerator with Backsplash. This versatile unit combines powerful cooling with a convenient work surface, making it ideal for both food preparation and storage. Featuring a ventilated cooling system, it delivers rapid, even air distribution to keep ingredients fresh. The mechanical or digital display controller allows for precise temperature adjustments to match your needs.

The worktop offers plenty of space for chopping, mixing, and assembling, while the backsplash helps prevent spills from reaching the wall. PVC-coated shelves provide generous storage and organization, with each shelf holding up to 88 lbs. Self-closing doors maintain a consistent temperature and reduce energy use. Built for durability, the refrigerator features Cyclopentane insulation for energy efficiency, automatic defrost for easy maintenance, and casters for effortless mobility. Available in a variety of sizes—this worktop refrigerator delivers reliable performance, smart storage, and practical prep space, making it the perfect upgrade for any busy kitchen.

FEATURES:

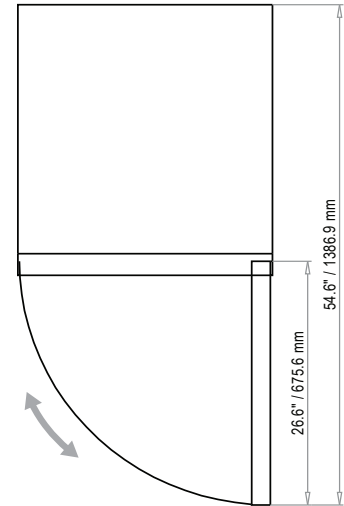

- Stainless Steel Interior & Exterior
- Self Closing Glass Doors
- Automatic Defrost System
- Adjustable heavy duty PVC coated shelves
- Digital Temperature Control
- Eco Friendly R290 Refrigerant
